E-Newsletter for the Month of June 2024

SUMMER EDITION

FROM THE EDITORIAL BOARD

Dear Parents and Students,

"The heart of a father is the masterpiece of nature."

- Antoine François Prévost

In **June**, as we reflect on the summer holidays that have passed, we celebrate the invaluable role of fathers in nurturing healthy families. Fathers play a pivotal role in providing love, support, and guidance, forming the cornerstone of a stable and nurturing home environment. Their presence not only enriches family dynamics but also contributes significantly to the emotional and cognitive development of children.

At **Brookfield International School**, we recognize the importance of honouring fatherhood throughout the year, especially on Father's Day. This day serves as a poignant reminder to express gratitude for the dedication and sacrifices made by fathers and father figures. Their influence extends beyond mere provision to shaping character, instilling values, and inspiring aspirations in their children.

During the summer holidays, **Brookfield International School** offered a diverse array of activities aimed at fostering family bonds and enriching student experiences. These activities not only provided recreational outlets but also promoted holistic development by encouraging creativity, teamwork, and empathy.

Let us continue to cherish and support the vital role of fathers in fostering healthy, happy families and nurturing the next generation of leaders and innovators.

Ms. PARAMJOT & Ms. PRIYANKA KAUSHAL

WORLD

BICYCLE

DAY CELEBRATION

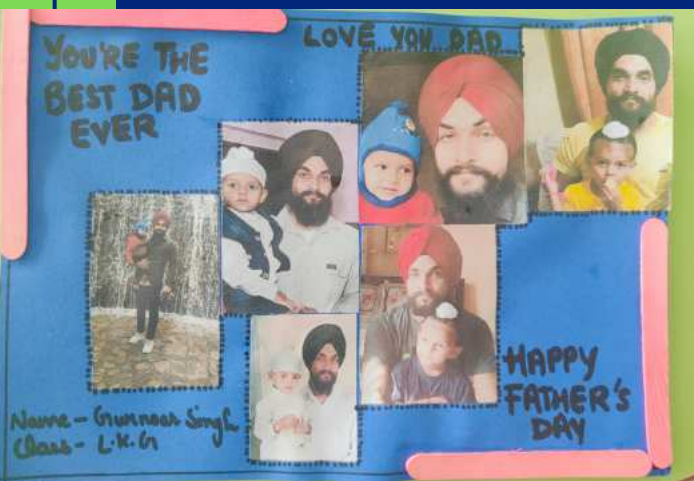

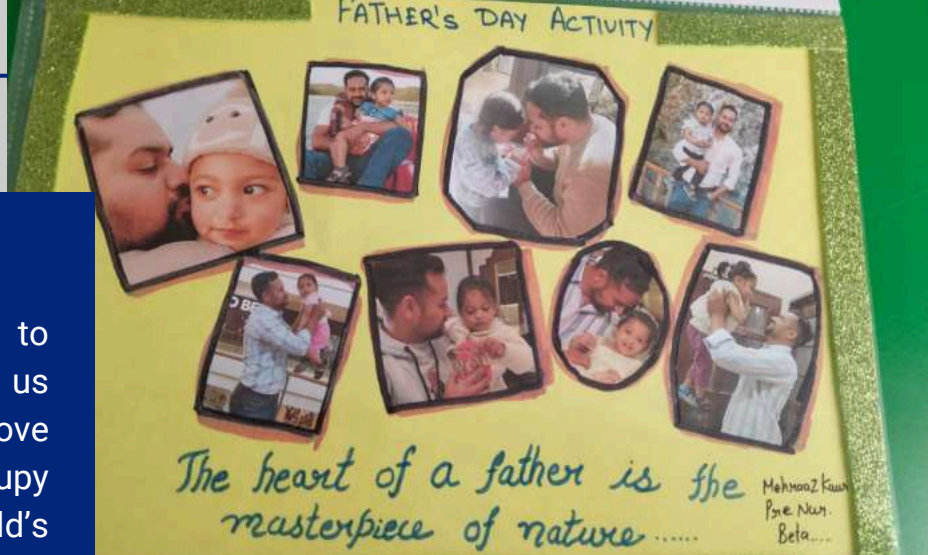

World Bicycle Day, on 3rd June, draws attention to the benefits of using the bicycle- a simple, affordable, clean and environmentally fit sustainable means of transportation. In 2022 the General Assembly adopted the resolution on integration of mainstream bicycling into public transportation systems for sustainable development. It emphasized that the bicycle is an instrument of sustainable consumption and production, and has a positive impact on climate. On this day our students along with their parents demonstrated the crucial role of cycling in conserving fossil fuels and promoting a healthy lifestyle. By choosing to cycle they highlighted the importance of sustainable transportation and inspire us all to make eco- friendly choices for a better future.

“Life is like riding a bicycle. To keep your balance, you must keep moving.”

FATHERS DAY

A father is neither an anchor to hold us back nor a sail to take us there, but a guiding light whose love shows us the way. Fathers occupy a critical role in a child's development as they also like mothers, are pillars in the development of a child's emotional well-being. Our little munchkins pasted photographs of them having fun time with their Dads as an activity assigned to them to commemorate Father's Day.

“ I picked some yellow flowers
That were growing in our yard
Put them in a fancy vase
And made my dad a card
My sister laughed and boldly said,
“Your gift is very silly.
Dads like ties and grills and tools
Not stuff that's sweet and frilly”
But when I gave my Dad his gift,
His face was all aglow.
“Why thank you, son, for pulling weeds,
Now I'll have less to mow.” ”

Micro Teaching Workshops

**When we strive to become better than we are,
Everything around us becomes better too.**

We at **Brookfield International School** believe in continuous professional development of our team members and bringing in new techniques and methodology to make the learning journey of our little ones a joyous one. During the first week of summer break for kids our educators had fun sessions of micro teaching. Micro teaching helps instructors to improve their planning and organizational skills and provides an opportunity for immediate feedback. It provides an opportunity for educators to experiment with new teaching methods and strategies .

The major objective of these sessions was to make learning fun, as when learning is fun it improves students engagement and retention rates. Educators used various activities and games to engage the class and reinforce their skills. Collaboration skill development and incorporating new teaching learning tools were emphasized during the sessions.

YOGA DAY CELEBRATION

"Yoga is the dance of every cell with the music of every breath that creates inner serenity and harmony." - Debasish Mridha

On June 21, 2024, **Brookfield International School** celebrated International Yoga Day with fervor. The event began with a prayer and the lighting of the ceremonial lamp, followed by yoga sessions led by instructors. Participants, including children and teachers, practiced various yoga postures and breathing exercises together. Certificates were awarded to all participants at the end, encouraging them to adopt a healthy lifestyle.

PROFESSIONAL DEVELOPMENT WORKSHOPS

National Curriculum Framework

The **National Curriculum Framework** workshop at our school led by **Ms. Jasjeet Kaur Jaggi** and **Mrs. Anuja Sharma**, provided our teachers with valuable insights into the latest educational strategies and curriculum implementation. The sessions were practical and engaging, fostering creativity and collaboration among educators. We appreciate Ms. Jaggi and Mrs. Sharma for their contributions and commend our teachers for their active participation and enthusiasm.

PROFESSIONAL DEVELOPMENT WORKSHOPS

National Education Policy

The recent workshop on the **New Education Policy 2020 (NEP 2020)** at our school led by **Ms. Anju Mehta** and **Ms. Garima Bhardwaj**, delved into NEP 2020's transformative impact on education, emphasizing holistic development, multidisciplinary learning, and flexible curriculum design. Discussions encompassed innovative teaching methodologies, the integration of technology, and the importance of continuous professional development for educators.

CLASSROOM MANAGEMENT

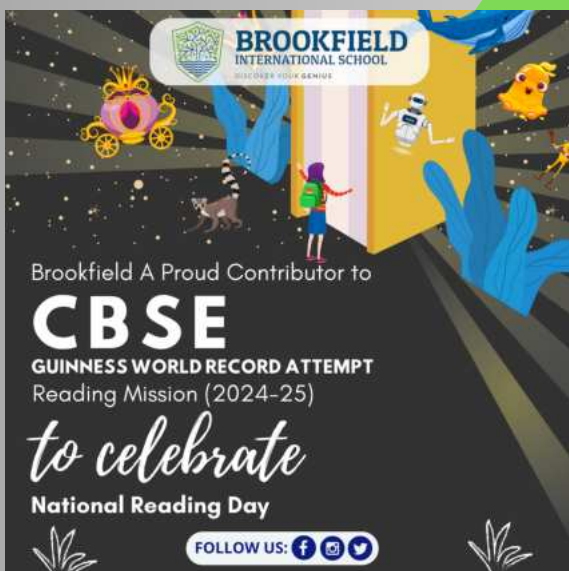

Our school also hosted a highly enriching **Classroom Management Workshop** on **June 28th**, led by **Mrs. Kavita Das**, former **Principal of St. John's High School, Chandigarh**. Mrs. Das, with over 25 years of teaching experience, shared invaluable insights and innovative approaches that deeply impacted our dedicated staff. Her guidance has significantly enhanced our classroom management skills, further improving the learning environment for our students.

NATIONAL READING DAY

"The journey of a lifetime starts with the turning of a page."
- Rachel Anders

Brookfield International School recently participated in CBSE's Budding Authors Programme, aimed at students from classes 5th to 10th during the summer break in June. The programme focused on enhancing students' story writing skills and familiarizing them with online story submission processes.

WORLD ENVIRONMENT DAY CELEBRATION

"The environment and the economy are really both two sides of the same coin. If we cannot sustain the environment, we cannot sustain ourselves."

— Wangari Maathai

Brookfield International School celebrated **World Environment Day** with fervor and dedication, as students displayed their creativity and commitment to environmental conservation through slogan writing, poster making, and sapling planting activities. Their inspiring efforts underscored the significance of protecting our planet. The event was a resounding success, thanks to the enthusiastic participation of students and support from parents, emphasizing the school community's collective effort towards fostering environmental awareness and sustainability.
