## MOMENTS OF GRATITUDE AND GRACE

The month of **May** bloomed with heartfelt celebrations as we honoured the tireless dedication of our **support staff** and embraced the warmth of a **mother's love**.

**Creating memories rooted in respect and affection.**

# OPERATION SINDOOR

## INDIA STRIKES BACK

**This sentiment becomes even more poignant when we consider the recent success of Operation Sindoor, a mission that reaffirms our deep love for and commitment to safeguarding our motherland. Led by our brave soldiers and defence forces, Operation Sindoor symbolizes vigilance, courage, and sacrifice—qualities we also associate with motherhood. It is a timely reminder that while our mothers protect our homes, the Indian Army protects the home we all share—our nation.**

This month, as the tricolour flies high with pride, we salute the soldiers who stood strong to uphold our sovereignty. Their bravery is a testament to what it means to love selflessly, to defend fiercely, and to serve with honour. Through their efforts, we are reminded that the love for one's country is no different from the love we feel for our mothers—it is pure, protective, and enduring.

Let us, as young citizens and learners, draw inspiration from both. May we learn the art of selfless giving from our mothers and the courage to stand up for what is right from our soldiers. As the future torchbearers of our nation, we must nurture this dual sense of duty, with love in our hearts and strength in our actions.

This May, let us rise to express gratitude to the mothers who make our lives whole, and to the protectors of our motherland who ensure we live in peace.

**Jai Hind!**

May the spirit of gratitude we celebrated in May continue to guide us throughout the year.

## EDITORIAL BOARD

**“God could not be everywhere, and  
therefore He made mothers.”**

**— Rudyard Kipling**

**May** is a month that resonates with warmth, gratitude, and reverence. At **Brookfield International School**, we take this time to pause and reflect on the profound bonds that shape our lives—the unwavering love of a mother and the deep-rooted connection we share with our motherland.

As we celebrated **Mother's Day** this month, we honoured the women who are the first teachers, the silent strength, and the nurturing hearts behind every one of us. A mother's love is the first glimpse we get of unconditional care—an embodiment of patience, sacrifice, and protection. It reminds us of a larger truth: the motherland, too, in her vastness and beauty, nourishes and protects us.
