PEELING ACTIVITY

@ Kindergarten Wing

Our **Pre-Nursery and Nursery** munchkins had a delightful time participating in an **Orange Peeling Activity** on **5th March**, which not only brought smiles to their faces but also helped them develop essential motor skills. The children eagerly peeled oranges, experiencing the texture, aroma and juiciness of the fruit. **This simple yet engaging activity enhanced their fine motor coordination, hand strength, and independence.** As they enjoyed the sweet and tangy taste of oranges, they also learned about healthy eating habits. This hands on experience made the learning process more exciting, turning an everyday task into a fun filled moment of exploration and joy!

SCISSOR SKILLS

That's the way we cut , cut, cut
Fingers on the bottom, thumb on top.
Do not let the paper drop!*

On **7th March UKG** learners had a fantastic time honing their scissor skills. **From cutting along lines to creating fun shapes , this activity helped develop their fine motor skills, hand - eye coordination, all while having loads of fun.** It was wonderful to see their confidence grow with each careful cut.
